PANTIES and TIGHTS

As requested, here (at last), is your chance to buy panties and tights actually worn by girls on Fiona Cooper titles.

Each pair will come with details of who wore them and on which title so that you can see the panties that you now own being worn by the girl who wore them!

Sadly it is not possible to pick which girls panties or tights you can have, it will just be whoevers we have at the time of your order.

Both tights & panties are **£20 per pair**
and not subject to any discounts.

If you want panties put **item 29** on your order form
If you want tights put **item 30** on your order form.

REMEMBER TO KEEP YOUR CATALOGUES

as all Fiona Cooper titles from No.1 upwards are available but may not appear in all issues due to space constraints.

Hello Lovers,

Welcome to 2013 and to The Complete Collection from title #1 to #1613, taking us up to December 31st 2012. Your up to date listing of everything from myself, Chloe & Nadine. If it's available - it's in here!

I can't think of anything that you might like that's not already here; girls of all shapes and sizes, with boobs of all shapes and sizes! Every hair colour and style must be represented, and quite a few nationalities and skin colours of every shade. Outerwear and underwear for every taste, hosiery to suit anyone and everyone. Outerwear and underwear to please all! Over 1,500 titles and well over 3,000 girls I believe.

No doubt 2013 will throw up a lot more requests for things – quite often tastes that actually already appear in earlier titles - and clothing that we don't have, and we will try to deliver them for you.

Onwards and forwards into 2013, I have a lot of new girls lined up for your pleasure, and both Chloe and Nadine seem to have tapped into rich veins of girls for you, so let's hope 2013 is our best year together yet or better than recent ones at least!

With love

PHOTODISCS

PhotoCD's are available for titles 1 to 52 and for most titles from 1001 upwards.

Each photoCD (*with a few exceptions*) has at least 50 images though in some cases there are over 300 images on the disc.

To order photoCD's prefix the title number with CD. So, for example, if you want the photoCD for title 50, put CD50 on your order form.

photoCD's are the same price as DVD's, and are included in any sales that are offered over the year.

The 2012 Complete Collection

THE *ENTIRE COLLECTION* (from title #1 upwards) is available on DVD ONLY in both PAL (Europe, Australia etc) and NTSC (U.S.A., Canada etc).

All titles are normally available from stock for same day despatch.

Due to the ease and high incidence of copyright theft titles are not supplied on approval. Unless otherwise stated all DVD's are, on average, approx. 3 hours long.

There have been various FC collections over the years:

The CLASSIC FC titles (with numbers such as VA, VH, VX etc) were originally released from 1982 until 1987.

Please note that this is very old material and some of it is of very low quality by todays standard.

The 'V' girls, with numbers from V1 to V899 were released from 1987 until 1995.

The 'X' girls, from X1 to X255 were released from 1996 until 2001.

The 'G' girls, from G1 to G78 were released from 2002 until 2003.

The 'A' girls, from A1 to A999 were released from 1995 onwards.

More recent releases simply have a DVD number, such as title 935.

Lesbian titles were coded with a 'D' – such as D75 & D76 - now on title 31.

As time goes on ALL of the earlier titles (Classic, 'A', 'D', 'V', 'G' & 'X' girls) will be re-released to DVD.

CD after a title number indicates that a photoCD is available for that title. PhotoCD's contain images (jpegs and/or bitmaps) of the girl(s) on the DVD title. The number of images on a disc varies, but most have well over 50 images, some have over 300. The photoCD's for older titles will have unretouched jpeg scans from film negatives on them. PhotoCD's are the same price as the DVD titles, and subject to the same discounts. When ordering PhotoCD's (*where a PhotoCD is available*) prefix the title number with CD on the order form (i.e.; if you want the photoCD for title 1, put CD1 on your order form.)
